OFFICIAL CLUB NEWSLETTER

SEPTEMBER 2011 EDITION

Registration night – Sept. 30, 7-9 pm

The Dawson Creek Curling Club will be hosting its annual registration night on Friday, Sept. 30 from 7-9 pm.

Fees remain unchanged for 2011-12: \$100 Club Membership Fee, \$150 for first league, \$75 for each additional league; \$30 for a locker; plus HST.

The Club's Board of Directors has voted to change the membership policy that was put in place last year.

The new policy requires each team competing in a league to have four registered members listed as team members. If you need a spare to curl for a registered member, that spare is not required to be a registered club member. A spare list of registered members will be posted on the league bulletin boards.

For more details, talk to a Director or call club manager Dale Brown.
